Brading Roman Villa
Drawing Activity Sheet

Find and look at the information on the mosaic featuring 'Bacchus'. Draw what you imagine he looks like.

After looking at all the mosaics and reading the stories behind them, use them as inspiration to design your own mosaic and explain the tale it is telling.

Draw a mythological creature,
part of the Roman building or an interesting
object that you have seen during your visit.

Think about all the things you have discovered and draw a mascot for Brading Roman Villa. Don't forget to name it and tell us about it.
