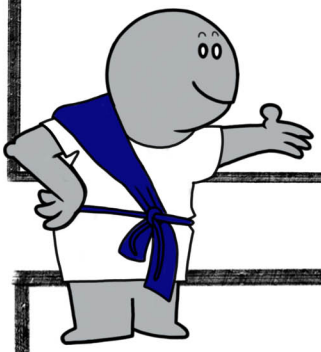
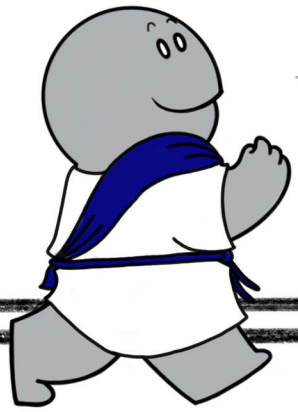
Newport Roman Villa
Drawing Activity Sheet



Find the Roman Dog Figurine in the Museum area and look out for any other animals elsewhere at the villa. **Design** your own animal figurine.

Look for the technology and tools that made the Romans' lives easier. **Draw** your own invention that would be helpful to a Roman and give it a creative **name**.



Draw a interesting person, part of the Roman building or a useful object that you have seen during your visit.

Think about all the things you have discovered and draw a mascot for Newport Roman Villa. Don't forget to name it and tell us about it.
